INTERNSHIP

Internship-

Organization : Here Solutions India Private Limited (Gurugram)

Duration: May'18 to July'18

Mentor : Ms. Mudrika Shakdwipee

Description : Worked on mapping and navigation technology. Learned about Arc GIS and implemented it to know how the map creation works. Used HereMaps Creator web application to edit the map in real time.

PROJECTS

MINOR-2 Project

Duration: 6 months

Project Title : Digital Steganography

Mentor : Dr. Ankur Dumka

Description : Our project, DIGITAL STEGANOGRAPHY provides the solution for transmitting secret information without affecting unintended users. Steganography uses multimedia data as a covering medium. By using steganography data can be hid within data and it can be sent anywhere to transfer the message easily without giving any suspicion to others. *Java*

MINOR-1 Project

Duration: 6 months

Project Title : Record Memo

Mentor : Mr. Ankit Vishnoi

Description : This program was designed to secure personal record of the user which is being modified (write, edit and delete, etc.) by the user itself. For security purpose, Caesar cipher Cryptography technique is used to encrypt and decrypt the text. The following project is a console-based application. *C*
